ORDER

MOTION

Docket # 66
Plaintiffs' "Informative Motion (In Lieu of Joint
Case Management Memorandum)"

RULING

Noted. However, plaintiffs' assertion that Metro Computers, Inc.'s counsel's motion to withdraw has not been ruled upon by the Court is simply wrong. Attorney Rodríguez García's motion (**Docket # 52**) was granted on February 11, 2000 (**Docket # 56**). Plaintiffs counsel has been advised of this by telephone and fax. Therefore, the Court fails to see the relevance of plaintiffs informing that their efforts to prepare a joint case management memorandum with attorney Rodríguez García have been unsuccessful, because attorney Rodríguez García is under no obligation to assist them.

If plaintiffs are concerned by Metro Computer, Inc.'s failure to defend in this case, they should move for entry of default.
